Colors in this guide may differ from printed material, options posted on our website, and interpretation. While we offer customized options such as marble, tie dye and glitter, we cannot always guarantee an exact match with color options chosen. Due to the nature of the pigments used, some of the color options may be translucent while others are more opaque.

Availability of color options is subject to change without notice.

Pastel Options

 9200 Rose (Flesh Pink)	 9212 Cotton Candy	 9313 Fruit Punch
